TO: PARTIES OF RECORD IN RULEMAKING 01-08-028

This is the draft decision of Commissioner Lynch and the alternate draft decision of Administrative Law Judge (ALJ) Thomas. It will be on the Commission's agenda at the meeting on June 6, 2002. The Commission may act then, or it may postpone action until later.

When the Commission acts on the draft decision and alternate draft decision, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare its own decision. Only when the Commission acts does the decision become binding on the parties.

Pursuant to Rule 77.7(f)(9), comments on the draft decision and alternate draft decision may be reduced. Here, reduction is appropriate due to the need to put local energy efficiency programs in place in time for Summer 2002. Comments on the draft decision and alternate draft decision must be filed and served on the e-mail service list for this proceeding no later than May 31, 2002. No reply comments shall be filed.

Parties to the proceeding may file comments on the draft decision and alternate draft decision as provided in Article 19 of the Commission's "Rules of Practice and Procedure." These rules are accessible on the Commission's website at <http://www.cpuc.ca.gov>. In addition to service by mail, parties should send comments in electronic form to those appearances and the state service list that provided an electronic mail address to the Commission, including President Lynch at commissionerlynch@cpuc.ca.gov and ALJ Thomas at srt@cpuc.ca.gov. Finally, comments must be served separately on the Assigned Commissioner and ALJ, and for that purpose I suggest hand delivery, overnight mail, or other expeditious methods of service.
